

Ebay OAuth integration introduction

1 step

Create a new Ebay OAuth integration

After entering all the details press **“Save”** and wait to be redirected to ebay authentication

The screenshot shows a 'New Vendor integration' form with the following fields:

- Vendor integration provider * (Dropdown menu): Ebay OAuth
- Name * (Text input): Ebay OAuth first
- Preferred tracking number type * (Dropdown menu): Internal
- Preferred service code * (Text input): C2
- Pickup address * (Dropdown menu): Lithuania Contact Name (Lithuania Compan...

Buttons: Close, Save

2 step

Granting application access

After logging into ebay, you will need to grant access so we could import your orders. Press **“Agree”** in this page.

Grant Application Access: Tadas Peciukevicius

Ready to use Tadas Peciukevicius? Great! We need your consent to share your eBay data. Don't worry, we won't share your eBay password. You can change this any time by editing your [account preferences](#).

Please take the time to read eBay's terms of service and [privacy policy](#), because these policies will apply when you use this service. Remember, we don't manage policies set by other companies.

By clicking on the "Agree" button, you're allowing us to link your Tadas Peciukevicius account with eBay.

Agree

No thanks, take me to the [Application's website](#) or [eBay homepage](#).

3 step

After authentication

After entering all the details press **“Save”** and wait to be redirected to ebay authentication

If there was some error during the authentication, look in the next page.

Success

Authentication was successful, try running the sales import

4 step

Retrying authentication

If there was some error during authentication, you can do the authentication for an integration by pressing on the Actions button and then press “**Authenticate**”.

Additional step (to make sure phone numbers get returned)

In some cases shipping address phone numbers are not returned and enabling **“Request buyer phone number”** in <https://www.ebay.com/ship/prf> seems to fix the problem.

Request buyer phone number

Buyers will be asked for their number at checkout
